

INDONESIA WATER PARTNERSHIP

Presented by :

Ir. Achmadi Partowijoto, CAE, PU-SDA

Asc.Prof. (Ret) of Soil & Water Mngt.

IWP Trustee, Board of HATTA, HATHI & INACID

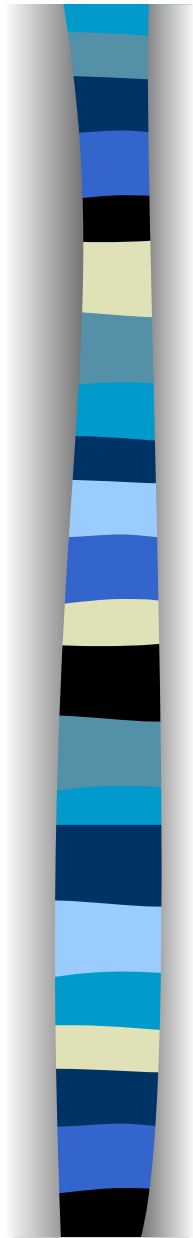

BACKGROUND

- Water resource is the most important element for the survival of human and ecosystem
- Water resource should be conserved and wisely utilized by all stake holders
- In Indonesia, drought and flood disaster have reached the critical level causing much changes to human life and sustainability of eco-system

INDONESIA WATER FORUM (1)

- In order to achieve higher efficiency in the management water resources, assembly of all stakeholders had been conducted
- Indonesia Water Forum had been conducted in November 2000, then followed by Indonesia Water Forum II in March 2002
- Participant of Indonesia Water Forum consisted of representatives from stakeholders in water resource management

INDONESIA WATER FORUM (2)

- Participants of the Indonesia Water Forum I come to a common perception on the following issues :
 1. Realization of an efficient and sustainable water resource development and utilization for the people welfare

INDONESIA WATER FORUM (3)

2. Commitment on policy reform :

(-) revision of the existing water sector policy and establish National Water Council

(-) institutional arrangement of water resources funding at river basin level

(-) institutional arrangement for water service fee and water pollution pay for water quality management

(-) democratic, selective and gradual transfer of irrigation management to qualified Water Users Association

INDONESIA WATER FORUM (4)

- Indonesia Water Forum II declared two statements, i.e. :
 - (a) Establish Indonesia Water Partnership (IWP) as a national networking for water resources stake holders and appointed representatives to set up IWP Secretariat
 - (b) Recommend on the future policy for flood mitigation

INDONESIA WATER FORUM (5)

- **Nominated representatives of stakeholders to set up the IWP Trustee and Secretariat :**

Ir. Mardjono Notodihardjo

Dr.Ir. Sunarno, M.Sc. PU-SDA

Dr.Ir. Indreswari Guritno, MS. PU-SDA

Ir. Achmadi Partowjoto, CAE. PU-SDA

Ully Hary Rusadi, Ir. Silvi Tirawati

Ir. M. Napitupulu, Dipl. HE. PU-SDA

Dr.Ir. Effendi Pasandaran APU

Ir. Abdul Affif, MBA

STATEMENTS OF THE REPRESENTATIVES (1)

- **Indonesia Water Forum (IWP) is a periodic assembly amongst public sector, private and the community to achieve a strategic policy on sustainable development**
- **IWP is a networking amongst public sector, private sector and community which agree to support the implementation of IWRM**
- **IWP Secretariat was established by the representatives on May 22, 2002, to facilitate the IWP function and activities**

STATEMENT OF THE REPRESENTATIVES (2)

- **IWRM promotes development and management of water and related resources, to maximize the resulting economy and social welfare in a equitable manner without compromising the ecosystem sustainability**
- **IWP Vision is to realize a steady, efficient and sustainable water utilization to benefit for the welfare of the people**
- **IWP Mission is to support government, private sector and community in implementing the integrated water resources management at national, province, river basin and district/municipal level.**

FRAMEWORK AND WORK MECHANISM (1)

The Enabling Environment :

- Policy ; setting the goals for water use, protection and conservation
- Legislative framework ; the rule for achieving the policies and goals
- Financing and incentives ; allocation of financial resources to meet the need for water

Institutional Roles and Function :

- Institutional Framework; setting the organizational roles and functions at all levels
- Institutional Capacity Building ; development of human resources

FRAMEWORK AND WORK MECHANISM (2)

Institutional Roles and Function :

- Institutional Framework; setting the organizational roles and functions at all levels
- Institutional Capacity Building ; development of human resources

Institutional Roles and Function :

- Institutional Framework; setting the organizational roles and functions at all levels
- Institutional Capacity Building ; development of human resources

FRAME WORK AND WORK MECHANISME (3)

Management Instruments :

- **Water Resources Assessment ; understanding the resources and need of water**
- **Plans for Integrated water resources management ; combining the development options, resources use and human interaction**
- **Demand management ; using water more efficient and productively Conflict resolution ; managing disputes, ensuring water allocation**
- **Social Change Instruments ; encouraging water oriented social civil society**
- **Regulatory Instruments ; allocation and water use limits**
- **Information and Communications ; improving knowledge for better water management**

IWP PROGRAM (1)

- **Conduct celebration of World Water Day in 2003, 2004 and 2005**
- **Conduct Indonesia Water Forum III, March 2002**
- **Support government in conducting public awareness campaign on water issues**
- **Help the community in improving water resources management, with consideration to environmental sustainability**
- **Motivate individuals and organizations to work together in a more collaborative way and applying trust and understanding**

- **Facilitate the Dialog for Water Rescue, Jakarta, March 2003**
- **Participate in the World Water Day XII National Seminar, Jakarta, 2003**
- **Facilitate Dialog Forum on Management of Ciliwung River Basin, Jakarta, 2003**
- **Participate in the First SEA Water Forum, Chiang Mai November 2003**

IWP ACTIVITIES (4)

- **Facilitate Training of Facilitator for Dialogue on Water, Food and Environment”, December 2004**
- **Participate in the Water Week Event organized by ADB in Manila, Philippines, January 26-30, 2004**
- **Participate in the NARBO General Meeting at Batu, Malang, February 24-26, 2004**
- **Promotes stakeholders activities related to the celebration of WWD XII in Jakarta, Feb-Mar 2004**
- **Organize National Seminar with the Theme “Water and Disaster” in Jakarta, March 23, 2004.**

IWP ORGANIZATION/ SECRETARIAT (1)

- **Board of Trustee :**

Dr.Ir. Suyono Sosrodarsono

Ir. Hari Sudarta Dipl. HE

Dr.Ir Rustam Syarief MNRM

Dr.Ir. Sunarno M.Sc. PU-SDA

Ir. KUSDARYONO

Ir. Mardjono Notodihardjo

Ir. Achmadi Partowijoto CAE. PU-SDA

IWP SECRETARIAT (2)

- Secretary General :
Ir.M.Napitupulu Dipl.HE. PU-SDA
- Vice Secretary General :
Dr.Ir.Effendi Pasandaran APU
- Treasurer :
Ir.John Pantouw MM
Ir.Harmensyah Dipl.SE
- Institution Development :
Dr.Ir.Sutardi M.Eng.
Ir.A.T.M.Sitompul M.Eng.
Drs.Usman Gunadi

IWP SECRETARIAT (3)

Program facilitators :

- Public Awareness: Hj. Uly Sigar Rosadi, Ir.T.M.Sunaryo M.Eng, Ir.T.Soetopo, M.Sc. Ir.Sudarmanto MPA, Dr.F.Putuhena, Ir. H.Sihombing
- Events;
Ir.Abdul Affif MBA, Ir. S.Tirawati, Ir.Sugardjito, Ir.A.T.Juniati MT, Ir.A.B.Harahap, Ir.E.Irawan
- Documentation ;
DR. Ir. Indreswari, G.MS.PU-SDA, Ir.S.L.Himawan MA, Dr. B.W. Sukarto, Dip.HE, Ir.A.E.Farid MM, Dr. Suprka, Dr. A. Setiawan

IWP STAKEHOLDERS (1)

- HATHI, HATTA, MHI, JKII, IMKI, PII, KNI-BB, KNI-ICID, PERHIMPI, PERAGI, PAAT, IAGI
- MPA, MCC, Uni-Peduli, Eco-Peduli, INFOG, PSDAL-LP3ES, LPM G. Putri, FLP-Tangerang
- Y.Garuda Nusantara, Y.Sembrani, Y.Adhi Eka, Y. PBSBDI, Y. Depok Hijau, Y. PBSBDI, Y. Visi Anak Bangsa
- FT-UI, FT-Untar, FT-Unpas, FMIPA-UNJ, FALTL-UT, PPSMI-UI, PSPK-UGM, P4WS-Unpas, RUBRD-IPB, SDALP-Unand, FMIPA-IPB,
- Kadin-LH, Perpamsi, DPSDA, Forkami, INKINDO

IWP STAKEHOLDERS (2)

- **Litbang SDA, Libang Deptan, Dit. PSDA, Puskaji-SBEW, Bappedal, UPT-Hujan Buatan-BPPT, PSE-Deptan, Dir. P & I - BAPPENAS**
- **The Asia Foundation, BPLHD Jkt, BKSP-Jabodetabek, PWS Cilcis, DTLGKP, BKS-P3A-Jabar**
- **PLN, PJT1, PJT2, PDAM, KTI, PT Thames Jaya PT Inako, PT Indocement TP, PT Sondang Marsinar, PT Brantas AP, PT TGP, PT Air Cerdas Ganesha, PT AGM,**
