NARBO 2<sup>nd</sup> General Meeting

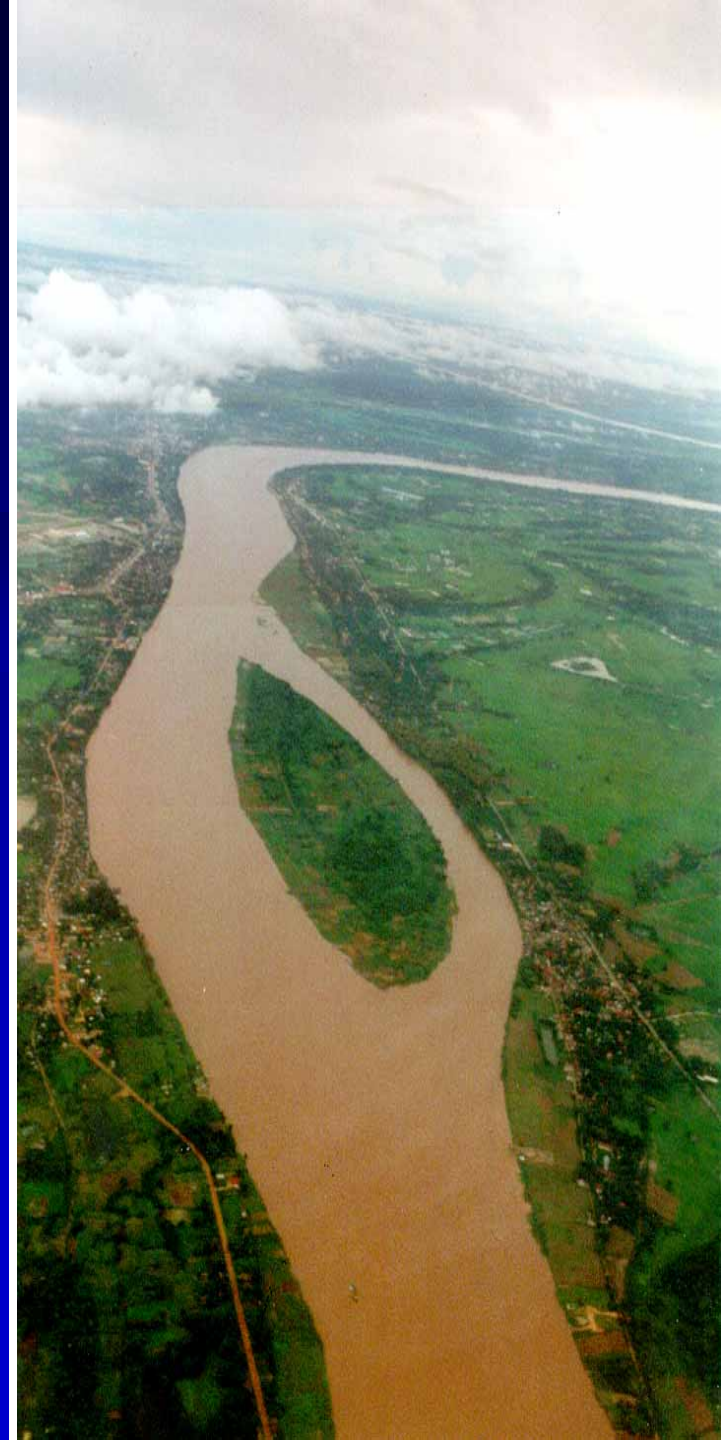

15 February 2006, Jatiluhur, Indonesia

---

Presentation by:

**Wouter Lincklaen Arriëns**

Lead Water Resources Specialist  
Asian Development Bank

# Summary

1. **Need for Performance Benchmarking of RBOs**
2. **Indicators and Definitions**
3. **Overview and Demonstration**
4. **Next Steps**

# RBO Peer Review Process

- Member RBOs visit each other to discuss the benchmarking of their performance
- Replaces culture of assessments by external specialists with a process of learning together with respect and trust

# Next Steps (1)

1. Drafting user manual and guidelines (by IWMI)
2. Uploading performance indicator data sets (by pilot RBOs)
3. Drafting benchmarking reporting formats (by ADB and IWMI)

# Next Steps (2)

4. Proposed Training of Peer Reviewers and 1<sup>st</sup> batch Peer Review of two RBOs (supported by ADB and IWMI)
5. Identifying and developing additional indicators, as necessary (by IWMI and pilot RBOs)
6. Peer Review of further RBOs by certified peer reviewers (facilitated by ADB and IWMI)

# 1. Drafting user manual and guidelines

- Guidelines on use of the benchmarking service and peer review
- Definitions and indicators

Completed by February 2006

To be posted by JWA on NARBO web site

## **2. Uploading performance indicator data sets**

- **Data from 2003-2005**
