

Questionnaire III (Country Report III) – For Session 2
~ Water Right System in participant’s countries

We would like to ask about water right system in your country. We prepare excel file as an answer sheet, so please use it. **This questionnaire is designed for surface water, so ground water is not the subject of this questionnaire.**

In the left columns of the answer sheet, we listed items as questions related to water right system. Please write down your answer in the middle columns. When answering, detailed quotations of provisions of laws are appreciated. Also, if necessary, you can add other items regarding water right system. Furthermore, we prepared the example of Japan, so please consult it. If you have any question about this questionnaire, please contact us freely.

1. Do you have any special questions for other participants including NARBO secretariat? Or, do you have what you want to discuss related to water allocation issues? If so, please describe them freely.
