The background of the image is a collage of various fabrics and patterns. On the left, there is a blue fabric with a yellow crescent moon and stars, and a yellow fabric with a blue star. In the center, there is a green fabric with white floral patterns and a white fabric with green floral patterns. On the right, there is a white fabric with pink floral patterns and a white fabric with a colorful floral pattern. The text "BEST PRACTICES IN THE MUNICIPALITY OF TERESA" is overlaid in the center in a bold, yellow, sans-serif font with a black outline.

**BEST PRACTICES IN THE
MUNICIPALITY OF TERESA**

44,000 – Population As Of 2007 Census

7,000 + - Households Number

2nd Class Municipality As Of January, 2009

The Municipal Environment and Natural Resources Office (MENRO) was created in 2005.

Situation of Teresa River before the creation of MENRO office.

- ❖ **No provision for water treatment facility amongst Hog Farms.**
- ❖ **No ordinance that penalize wanton pollution of the Rivers and tributaries.**
- ❖ **No monitoring of possible polluters to the River System**

Lack of system

Lack of concern for the environment

Commitment and Passion
