

1. About the organization

(1) Name of the organization and postal address of the office

Research Centre for Water Resources

Address : Jl. Ir. H. Juanda No. 193 Bandung 40135
West Jawa – Indonesia
Phone : (+62)22 – 2501083 / 2500507 / 2504083
Fax : (+62)22 – 2500163
PO BOX : PO BOX 841
E-mail : pusat@pusair-pu.go.id ; [Http://www.pusair-pu.go.id](http://www.pusair-pu.go.id)

(2) The representative of the organization

Dr. Arie Setiadi Moerwanto
Director of Research Centre for Water Resources

(3) Purposes and roles of your organization

a) Historical background of the organization

- 1936 Dutch Department of Traffic, Buildings and Roads established the Hydrodynamic Laboratory
- 1947 Dutch Institute for Road and Hydraulic Research
- 1950 Institute for Soil Mechanics and Hydraulic Engineering
- 1966 Institute for Hydraulic Engineering
- 1974 Directorate of Hydraulic Engineering
- 1984 Research Institute for Water Resources Development, affiliated to the Agency for Research and Development Ministry of Public Works
- 1999 Research Institute for Water resources Technology, affiliated to the Agency for Research and Development, Ministry of Human Settlement and Regional Development
- 2001 Research Institute for Water Resources, affiliated to the Agency for Research and Development, Ministry of Settlement and Regional Infrastructures
- 2004 Research Centre for Water Resources, affiliated to the Agency for Research and Development, Ministry of Public Works

b) Purposes Outline of the organization

Purpose To be prominent in providing expertise to support the availability of reliable water resources infrastructure

Role

- R & D of appropriate, competitive, and environment friendly water resources technology
