

Regional Workshop on Developing Partnerships for Water and Climate Change Adaptation

Hotel Equatorial Bangi-Putrajaya, Selangor, Malaysia, 1st – 5th December 2008

PROGRAM 1st-5th December 2008

Day	1-DEC	2-DEC	3-DEC	4-DEC	5-DEC
Theme	OPENING PROGRAM AND HUB LAUNCH	CURRENT STATUS IN THE REGION	<p>STUDY VISIT</p> <p>Climate Change Adaptation in the Selangor River Basin</p> <p><i>Hosted by the RBO of the Selangor River Basin</i></p> <p>Briefings</p> <p>On-site discussions regarding water supply, agriculture, aquaculture, environment, salinity intrusion, agrotourism, and flood risk management</p>	DEVELOPING STRATEGIES AND PARTNERSHIPS	DEVELOPING ACTION PLANS FOR 2009 WITH THE KNOWLEDGE HUB
8:30 - 9:00	Registration	Recap of previous day		Recap of previous day	Recap of previous day
09:00 – 9:30	<p>Opening Remarks by NARBO Representatives:</p> <p>NARBO Vice-Chair</p> <p>Director General of the Japan Water Agency</p>	Water and Climate Change Adaptation in Australia		Briefing by Chief Facilitator on Workshop Process	Briefing by Chief Facilitator on Workshop Process
9:30 - 10:00	Presentation by FAO on Climate Change Impacts on Agriculture	Climate Change Adaptation for Water Resources Management in the Brantas River Basin, Indonesia		<p>Parallel workshop sessions on 3 important topics:</p> <ol style="list-style-type: none"> 1. Projections 2. Impact Assessments 3. Adaptation Strategies 	<p>Parallel workshop sessions on action plans for the 3 topics:</p> <ol style="list-style-type: none"> 1. Projections 2. Impact Assessments 3. Adaptation Strategies
10:00 - 10:15	Tea break	Climate Change Adaptation in Laguna Lake, Philippines		Workshop sessions include brief country and basin case	Parallel workshop sessions for Action Plans in 2009

				study presentations under each respective topic, from Bangladesh, Laos, Nepal, Pakistan, Indonesia, Sri Lanka, and others	
10:15 – 11:45	Opening and Knowledge Hub Launch Ceremony Keynote Presentation by ADB on Partnerships for Water and Climate Change Adaptation	Tea break		Tea break	Tea break
11:45 – 12:15	Team Japan: Japan's Policy for Climate Change Adaptation in the Water Sector	Climate Change Adaptation Experience by the Asia-Pacific Typhoon Committee		Workshop tasks for the day (morning and afternoon): 1. Present case studies 2. Compile client needs 3. Recognize strategies 4. Develop partnerships	Parallel workshop sessions compile expectations for products and services to be delivered by the regional knowledge hub NAHRIM and its partners
12:15 – 12:45	Water and Climate Change Experience in India (tbc)	Climate Change Adaptation in the Yom River, Thailand		Workshop Sessions (continued)	Parallel workshop sessions on expectations from the hub (continued)
12:45 - 14:00	Lunch	Presentation by ESCAP on Eco-efficient Water Infrastructure in Climate Change Adaptation		Workshop Sessions (continued)	Parallel workshop sessions on expectations from the hub (continued)
Theme	CURRENT STATUS AND ONGOING INITIATIVES	Water and Climate Change Adaptation in Viet Nam		Workshop Sessions (continued)	Parallel workshop sessions on expectations from the hub (continued)
14:00 – 14:30	Team Japan: JICA Support for Climate Change Adaptation in Developing Countries	Lunch		Lunch	Lunch
14:30- 15:00	ICIMOD Support for Climate Change Adaptation in Mountainous Areas	CURRENT STATUS IN THE REGION		WORKSHOP SESSIONS	CONCLUDING SESSIONS
15:00 – 15:30	Climate Change Adaptation in the Chu and Talas River Basins, Central Asia	Team Japan: University of Tokyo Support for Simulation		Presentation on Dynamic Downscaling for Climate Change Projections	Regional Knowledge Hub NAHRIM presents partners, products and services

		of Climate Change Impact on Water Resources			
15:30 – 15:45	Tea break	Team Japan: ICHARM Support for Simulation of Climate Adaptation in Flood Management		Workshop Sessions	Regional Knowledge Hub NAHRIM presents partners, products and services
15:45 – 16:15	Water and Climate Change Projections and Impact Assessments in China	Team Japan: JWA Support for Water and Climate Change Adaptation		Workshop Sessions	Plenary discussion on developing NAHRIM's knowledge network of clients and partners
16:15 – 16:45	Water and Climate Change Adaptation Strategies in China	Tea break		Tea break	Tea Break
16:45– 17:15	Plenary Discussion	Water and Climate Change Adaptation in Thailand: Projections and Adaptation Plan (tbc)		Workshop Sessions	Plenary discussion on developing NAHRIM's knowledge network of clients and partners
		Water and Climate Change Projections and Adaptation in Malaysia		Reporting to Plenary and Facilitated Discussion	Wrap-up Session on Strategies, Partnerships and Actions in 2009
		Plenary Discussion		Reporting to Plenary and Facilitated Discussion	Closing reflections by participants and organizers
