

NARBO

NETWORK OF ASIAN RIVER
BASIN ORGANIZATIONS

Established in 2004

Goal and Objective

The goal of NARBO is to help achieve Integrated Water Resources Management (IWRM) in river basins throughout Asia. NARBO's objective is to strengthen the capacity and effectiveness of River Basin Organizations (RBOs) in promoting IWRM and improving water governance, through training and the exchange of information and experience among RBOs and their associated water sector agencies and knowledge partner organizations in Asia, and to advise on the establishment of RBOs in Asia.

Activities

NARBO carries out a program of practical activities for the purpose of achievement above Goal and Objective.

Information Sharing Activities

NARBO provides information on IWRM in river basins throughout Asia, such as good practices and lessons learned, are provided.
