Answering Sheet

Please respond to the following question by up to 1,000 words in total.

Name _____ Organization _____

Q.1 Briefly outline your situation – the River Basin Organization (RBO), or River Basin Organization related work, with whom you work, where the RBO is located, the participants involved, the IWRM issues faced, how they are going about their work and your role in this process.

Q.2 Think in terms of the enabling environment (i.e. the legislative and other frameworks within which your RBO operates), how the RBO goes about its work, and the tools that it uses to introduce IWRM in its river basin. What barriers and enablers have you been able to identify in terms of the success of your RBO? Can you give examples?

Q.3 How do you go about monitoring and evaluating the work and achievements of your RBO to introduce IWRM?

Q.4 What is your expectations to the IWRM Training?
