Chiang Mai, Thailand • 15–18 May 2013

# Water Security in Asia and Pacific

Wouter Lincklaen Arriens  
Vice-Secretary General, NARBO

# Asian Water Development Outlook 2013

Measuring Water Security in Asia and the Pacific

# Asian Water Development Outlook 2013

- Provides the first quantitative and comprehensive analysis of water security on a country by country basis in the region
- Examines all dimensions of water security from the household level to water-related disasters
- Uses indicators and a scaling system to rank the progress of each of the 49 countries under assessment.

# Description of National Water Security Stages

National Water  
Security Index

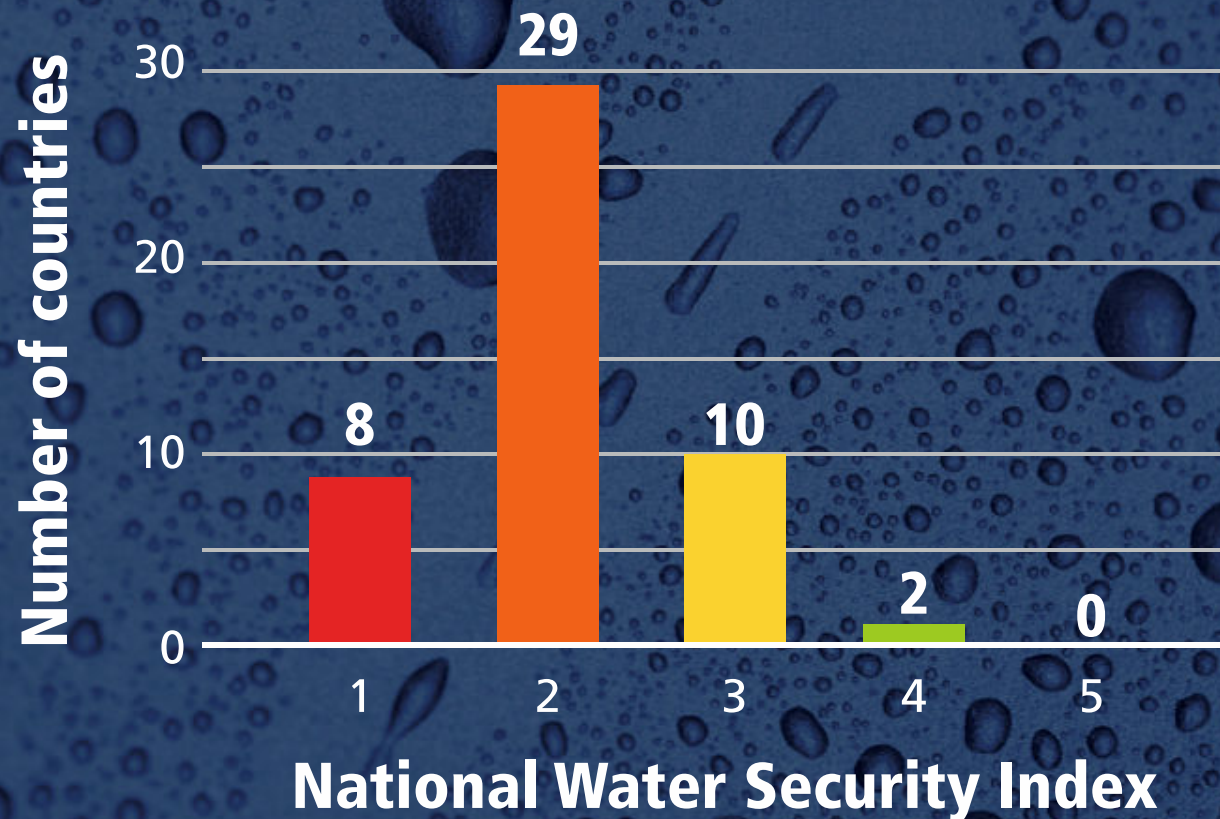

Stage:

Model  
Effective  
Capable  
Engaged  
Hazardous
